

## Product

### Product Choice

We will be glad to help you choose the right table for your specific purpose. The columns on the right list our larger tables that are available with listed options. Please contact us for options available for our smaller furniture.

### Standard Options

Because many of our products are made to order we can work with you in the substitution of component parts. Some options incur an additional cost, but no custom design fee.

### Custom Design and Fabrication

We can customize existing pieces or create new designs to meet any need. There is a 20% surcharge on custom orders, and we request a 50% nonrefundable deposit prior to manufacture.

### Assembly

Full assembly instructions are included. Most tables can be assembled with only four bolts.

### Care

Our products require minimal care, and a review of recommended maintenance procedures is included.

### Durability

Our hardwood tables are finished with tung oil varnish, pure tung oil, or a low VOC water based lacquer. Our plywood tabletops are multiple ply 'baltic birch' type, factory coated with a clear epoxy acrylate finish.

We powder coat selected steel and aluminum components, and hard anodize black aluminum parts of our larger tables.

### Warranty

We warranty our products to be free from defects in material and workmanship, and to work well under normal use and service. Our Limited Warranty does not cover damage due to accident, misuse, abuse or negligence.

## Order

### Payment

Payment by check, credit card or bank transfer, please contact us for bank transfer details. A 50% deposit is requested at order, and the remaining amount due prior to shipment.

The cost of options will be noted at the time of order and added to the remaining payment. Custom orders require a design fee of 20% of the projected cost. We will present design drawings and costs and, at your option, we will make the piece in 8 to 10 weeks. A 50% nonrefundable deposit is required.

### Tax

For shipments within New York State we add sales tax. For international orders: any VAT or import duties must be paid before items are shipped.

### Shipping

Smaller pieces ship by UPS and larger pieces ship by UKAY Delivery, a furniture moving service, assembled on skids. Our large tables usually ship as crated components, and require some assembly. All pieces can be shipped fully assembled. Moving crates into interior rooms, unpacking & removal of packing materials and full assembly are available "white glove" shipping options.

### Shipping Cost

Shipping costs are not included in the sale price of each item, and will be added to the pre-shipment payment. Shipment options such as 'white glove' service incur an additional cost, and these payments must be made prior to shipment.

### Lead Time

Lead times range from two to eight weeks. We stock selected smaller products and most components of our larger tables. Hardwood tabletops are not usually in stock.

### Packing

Small pieces are packaged in single or multiple boxes. Larger tables ship by freight in pelletized crates. All packing and handling costs are included.
